Master of Business  
Management Program

[www.fomcdmtu.edu.np](http://www.fomcdmtu.edu.np)

## INTRODUCTION

To develop efficient and capable manpower for the business, government and social sectors, FOM, TU has designed Master of Business Management (MBM) program. MBM is a full time rigorous academic program in management that enables students to learn the subject matter in depth to have high level of specialist knowledge in a short time. MBM program specifically aims to develop executives capable of managing the emerging business sectors in developing economies. This program is designed to provide students with an exciting and challenging learning experience.

MBM program develops the core business skills that graduates will need in their future careers. MBM program develops the graduates' management skills on the basis of a good understanding of the economics, social, political environment both at the national and global levels. MBM program encourages a culture of learning, reflection and development through the program's curricular and co-curricular activities.

## MISSION

The mission of the MBM program is to deliver a program of excellence in the field of advanced business management. The program delivers a core set of advanced integrated curriculum with global perspective using evolving technology platforms to facilitate and support the learning process. MBM program is structured to provide businesses a pipeline of talented and energized professionals who will add immediate value for their organization and the communities they serve.

## OBJECTIVES

The specific objectives of the MBM program are:

1. To develop the core business skills that contributes to develop an efficient and capable human resource for the business, government and social sectors.
2. To provide high calibrated business graduates with a solid foundation of business operation with developing the skills and awareness needed to be successful business leaders, managers, and entrepreneurs.
3. To develop capable executives for emerging business sectors in developing economies.
4. To offer a broader understanding of management issues along with appropriate skills and techniques.

## CURRICULAR STRUCTURE

MBM program is a two year (four semesters: 60 credit hours) program anchored by 13 rigorous and integrated core course modules of 39 credit hours that promote a general management perspective.
